

Widen and straighten the path linking New Pudsey and Owlcotes Centre

Work with Owlcotes Centre to provide a safe walking route across the M&S car park

Pedestrian crossing or footbridge over A647 to south of Pudsey

Two lit cycle paths link to Standale Avenue and Hillfoot Drive

Upgrade the path to the south of the A647 linking Richardshaw Lane and the subway

Install Zebra crossings across Thorpe Road and Cemetery Road where they meet Richardshaw Lane

**Benefits**

- Reasonably low costs (both implementation and ongoing maintenance)
- Available 24 hours per day
- Improve access to New Pudsey from all parts of Pudsey

**Current Issues**

- Current access is poor
- Station is isolated from most of Pudsey
- Large railway station car park is full during working days
